Dear Sir/Mam:

Under the provision of the Freedom of Information Act, 5 U. S. 552, I am requesting access to certain information available from your agency.

Please provide me with any information you may have available with regard to the above referenced properties address, particularly any environmental releases (spill and or air emissions) as well as any enforcement issues (violations or citations) that may have been issued to the properties or that may still be open.

If a fee less than \$25.00 will be imposed for searching or copying the information that I have requested, please provide me with the information I have requested and bill me for the amount due. If more than \$25.00 will be charged, please inform me of that fact before responding to this request.

I would appreciate it if you would process this request as quickly as possible. If, however, you do not grant it within 10 working days, as the law stipulates, I will deem it denied. Thank you for your attention. I await your timely reply.

Sincerely,
